1. Projects -501 Application

- Since the February meeting, we have filled the roles required for the 501 submittal.
- The roles that are being submitted are as follows:
 - Project Lead: Darci
 - Technical Leads: Raymond, Luke, Clint
 - Health Point People: Marc, Candice
 - Health and Safety: Darci, Clint
 - Education: Marc, Kim
- Final details are being completed and the application will tentatively be submitted prior to the March General Meeting.

2. Projects –Local Projects

- John Carpenter of *Tools for Schools* and Brian Williams of *Hands on Nashville* presented on opportunities for local community involvement.
- *Hands on Nashville*
 - <http://www.hon.org/HomePage/index.php/home.html>
 - This website uses a flexible calendar to link a volunteer to a potential project, including those scheduled for *Tools for Schools*.
 - Founded in 1991, this is a 501C3 nonprofit organization with 30 corporate partners.
- *Tools for Schools*
 - Currently have a shop located at Hillsborough HS.
 - Types of work that they have completed:
 - Built 350 computer desks,
 - Created a mock court room,
 - Renovated lab benches,
 - And built bookshelves.
 - We provide the labor, and they will provide the instructions, tools, and materials required to complete any project.

3. T-shirts

- Candice is hoping to have a sample for the members soon!
