

**EWB-Nashville Professionals
General Meeting Minutes
May 13, 2009**

Attendees:

Kimberly Martin	John Felkins	Clint Camp
Luke Patterson	Marc Simmons	Doug Kilgour
Jennifer Williams	Marc Nelson	
Thomas Steinwinder	Darci Scherbak	
Candice Owen	Larry Dowdy	
Leeann Williams	Matt Tanner	

1. Projects -501 Application

- Currently has been around ~ 7 weeks since submittal
- Should be hearing from EWB nationals with comments in the near future
- Kimberly will contact EWB nationals if we still haven't heard anything within the next few weeks

2. TAC Committee

- EWB Nationals is looking for volunteers for the TAC committee
- This is +/- 4 hour commitment per month
- Email Dirk Bouma (dirkbouma@gmail.com) your resume if you are interested in participating

3. Local Projects – Tools for Schools

- First local project event was held on April 4, 2009
- Overall response from attending members was positive
- Next event will be planned for late summer
- Check our website for photos that have been posted from this event (<http://ewb-nashville.org/>)

4. Website (<http://ewb-nashville.org/>)

- New photos tab
- Meeting minutes are now being posted to site
- Please submit any questions, comments, ideas about improvements to any executive board member
- Candice suggested setting up a Facebook group, and will be working on creating that

5. T-shirts

- Email your orders to Candice (candice.owen@amec.com)
- T-shirts are \$15 each, and cash is preferred (but checks are also accepted)

6. Fundraising

- Fundraising committee met to develop potential fundraising ideas
- Ideas include a Jamaica-themed banquet
- Current plan is to have this around September
- Could involve Caribbean Student Association at Vandy and students at Fisk to provide entertainment

7. Assessment Trip

- How much of the assessment trip costs, if any, are those on the trip going to responsible for covering?
- An email will be sent out to poll members (this will be exclusive to those who have paid their national dues) to determine how to best proceed

8. Presentation

- Due to time constraints, the presentation was postponed.

9. Next Meeting

June 10, 2009

11:30am – 12:30pm

Tennessee Engineering Center

(Adventure Science Center)

800 Fort Negley Boulevard

Nashville, TN 37203
